

ACTION HANDGUN MATCH

Objectives:	<ul style="list-style-type: none"> ▪ To provide a handgun shooting venue friendly to advanced beginner and intermediate level shooters ▪ To create a safe, supervised environment ▪ To create a venue for the use of revolvers without penalty for their lack of load capacity (stages are 6-shot neutral) ▪ To help shooters increase their gun-handling skills
Procedures:	<ul style="list-style-type: none"> ▪ Stages are shot under the supervision of a Range Safety Officer. ▪ A timer is used to record the overall time used by the shooter to address the target stage. The shooter has the option of requesting that a timer not be used. ▪ Penalty points in the form of additional time are added for targets missed or for procedural errors. This “score keeping” is only intended to help the shooter measure his/her performance and progress. ▪ Participants have the choice of including or excluding their scores from the tabulation prepared after the conclusion of the match. Scores are distributed by e-mail to those choosing to participate. ▪ Handgun “Divisions” are established to group together those shooting similar handguns. ▪ Scoring and match rules are per the ICORE Rulebook.
When:	First Saturday of every month with setup starting at 8:00 a.m. and the shooters meeting starting at 8:50 a.m. If you are not in attendance at the shooters meeting, then you will not be permitted to participate in the Match. Shooting commences at 9:00 a.m.
Who:	Members of the Lemon Grove Rod & Gun Club and non-members are invited.
Where:	At the shooting facility in Alpine located on Sequan Truck Trail owned and operated by the Lemon Grove Rod & Gun Club (see map directions on web site).
What to bring:	Any semi-auto pistol or revolver capable of holding 6 rounds, holster, 120 rounds of ammunition, a minimum of 4 magazines or speed loaders, eye protection (shooting glasses), hearing protection and a desire to have some fun. Holsters must be attached at the belt level. No shoulder holsters or cross-draw rigs are to be used.
Fee:	Members shoot for free; non-members pay \$15 as a gate fee. All participants are expected to help in the conduct of the event by helping with setup, tear-down, target taping and score keeping.

Ammunition:	It is requested that no magnum ammunition be used as it is hard on our targets and also hard on the shooter. Lead bullets are recommended over jacketed bullets as they reduce the likelihood of bullet fragments returning to the shooter area when metal targets are being used. This is a center-fire only match. Minimum power factor is 120 per ICORE Rules.
Range Rules:	<p>A number of “common sense” range rules are used for the safety of all participants:</p> <ul style="list-style-type: none"> ▪ Handguns are handled, i.e., placed in your holster, only at the “safety area” designated by the Match Director. ▪ The range is a COLD RANGE, which means that all firearms are in the unloaded condition (an open magazine well in the case of semi-auto pistols) with hammer down and in the holster at all times other than when shooting under the supervision of a Range Safety Officer. ▪ When engaging the targets, shooters must observe the “180 Rule” which means that loaded firearms must be pointed down range at all times. ▪ When moving between shooting positions, the shooter must have his/her finger outside of the trigger guard.
Other Information:	<ul style="list-style-type: none"> ▪ In moving between shooting positions, each shooter is encouraged to move only at a pace comfortable and safe for the shooter. ▪ Targets generally consist of metal targets and NRA D-1 “tombstone” card board targets.
	If you would like to have further information, please contact the Match Director, Roger Snipes at (619) 647-8944 or rogersnipes@cox.net
